101 Benelli Circle  
Goldsboro, NC 27530

Dear Mr. Tierney,

We are writing to express immense satisfaction by the construction done by Tierney Construction on our new home. The structure that your company has constructed with 3 bedrooms, two baths, a wonderful kitchen and dinning area, living room space and a bonus room is a job well done.

I would like to commend your company for being more than just a construction company, but friends to our family and ready to assist us after the signing. I don't know of any other builders that are willing to help out the buyer of their home as much as you all have done for us. Your company has gone far and beyond the call of duty to make sure we were comfortable and satisfied with our new home.

Our family truly appreciates everything you have done for us and we would have no problem with recommending Tierney Construction to others that are looking for a home in the market.

Yours truly,

James and Chekesha Hukins, Jr.
